In this game you take the role of a retired hitman, who finds himself with a new job by the name of take away his target. The game is a four episodes series, which you need to complete in order to complete the game. Each episode takes place in different locations, such as a garage, a cafe and a factory. Each episode has multiple levels, so you will have to complete a certain number of levels before the time expires in order to move to the next episode. However, the levels are quite difficult, as they have multiple escape routes, with the target hiding somewhere in each level. Each level also has multiple lockers in which you can hide so that you can catch the target. However, it is also possible to get caught if the target has seen you, so you will have to try and play it by the book in order to get through each level. There is also a second mode of gameplay. This mode is known as the secret code mode, and this allows you to compete with other players around the world in order to become the top secret code. However, you will have to keep competing in order to stay at the top. There is also a ghost mode, which allows you to compete against your younger self. However, you cannot change your age in this mode. slayer space slayer space - peacock to the left Space Slashers is a game that takes place in the distant future. The story involves the conflict between the settlers from earth and the pirates. The game begins with the pirates attacking the earth, and it is up to you to blow up the enemy ships and rescue the captured hostages. As the game progresses, more missions will be unlocked, which will help you further your goal of destroying all of the enemy ships. However, you will also have to defeat the pirates, as they are trying to hijack the escaped earth ships. There are two modes of gameplay.
